Subject to this Master Deed and By-Laws, the Unit owner shall have an undivided ownership interest according to his percentage interest in the limited and general common elements; the exclusive right to use his Unit; the exclusive right with that of others, but not all, Unit owners to use the limited common elements allocated to such Unit owners; and the non-exclusive right with that of other Unit owners to use all general common elements in accordance with the purposes for which they are intended. These Units may be used for residential purposes only.
- 5.2 Compliance with Rules, Regulations, Enforcement. Each Unit owner shall comply strictly with the By-Laws and with the administrative rules and regulations adopted pursuant thereto and with the covenants, conditions and restrictions contained in this Master Deed or the deed to his Unit. Each Unit owner shall have a right of action against other Unit owners or the Council as the case may be, to enforce compliance by either of them with the By-laws, rules, regulations, covenants, conditions, and restrictions referenced above.
- 5.3 Common Expense Liability. The Unit owners are bound to contribute pro rata according to their percentage interest toward the expenses of administration of the property constituted into the regime and toward the expenses of maintenance, repair, and replacement of the general common elements. action pursuant to its By-laws, each Unit owner shall have a vote equal to his percentage interest. In the case of a deadlock, each Owner shall appoint an individual to act as an arbitrator and each of the arbitrators shall agree on a third arbitrator. The easement does not relieve a Unit owner of liability in case of his wilful misconduct, nor relieve the Declarant or any contractor, subcontractor, or materialman of liability for failure to adhere to the plot plans and floor plans.

5.7 Easements Appurtenant to Unit Ownership. The Council shall have easement in common with all Unit owners. Each Unit owner shall have an appurtenant easement in common with all other Unit owners to use all pipes, wires, ducts, cables, conduits, utility lines, columns, supporting and sheltering structural members, and other like facilities located in any of the other Units or in the general or limited common elements and serving his Unit. This right is to be exercised as specified by the By-laws.

- 6.4 Enforcement of Agreements. The Council shall have a right of action against any Unit owner to enforce compliance with the By-laws and with the administrative rules and regulations adopted pursuant thereto and with the covenants, conditions and restrictions contained in this Master Deed or the deed to his Unit.

The Board shall provide for adequate remedies for failure to pay such assessments. Assessments against any Unit, with interest, costs and reasonable attorney's fees shall become a lien upon such Unit if not paid when due. Each assessment against a Unit shall be the personal obligation of the owner at the time the assessment falls due. Except as set forth herein, the purchaser of a Unit shall be jointly and severally liable with the seller for the amounts owing for

assessments up to the time of conveyance, without prejudice to the purchaser's right to recover from the other party the amounts paid by him as such joint debtor. ARTICLE VIII

Rights and Obligations of Mortgagees

- 8.1 Assessments. Unpaid assessments attributable to any Unit shall constitute a lien on such Unit prior to all other liens except (I) tax liens on the Unit in favor of any governmental assessing authority, and (ii) mortgage liens encumbering the Unit and duly recorded in the RMC Office for Charleston County. Any Mortgagee obtaining title to any Unit pursuant to the remedies provided in the Mortgage will not be liable for such Unit's unpaid assessments which accrue prior to the acquisition of title to such Unit by Mortgagee. Such unpaid assessments shall be deemed to be common expenses collectible from all of the Unit owners, including such acquirer, his heirs, successors and assigns. ARTICLE IX

Eminent Domain

9.1 Units Acquired. If a Unit is acquired by eminent domain, or if part of a Unit is acquired by eminent domain leaving the Unit owner with a remnant which may not practically or lawfully be used for any purpose permitted by this Master Deed, the award must compensate the Unit owner for his Unit and its general and limited common element interest, whether or not any general or limited common element interest is acquired. Upon acquisition, unless the decree otherwise provides, that Unit's entire general and limited common element interest, votes in the Council and common expense liability are automatically reallocated to the remaining Units in proportion to the respective interests, votes, and

BKC 623PG661

liabilities of those Units before the taking; and the Council shall promptly prepare, execute, and record an amendment to this Master Deed reflecting the reallocations. Any remnant of a Unit remaining after part of a Unit is taken under this subsection is thereafter a general and limited common element.

- 9.2 Part of Unit Acquired. Except as provided in Subsection 9.1, if part of a Unit is acquired by eminent domain, the award must compensate the Unit owner for the reduction of value of the Unit and its general and limited common element interest. Upon acquisition, (1) that Unit's limited and general common element percentage interest, votes in the Council, and common expense liability are reduced in proportion to the reduction in size of the Unit, and (2) the portion of limited and general common element interest, votes, and common expense liability divested from the partially acquired Unit are automatically reallocated to that Unit and the remaining Units in proportion to the respective interest, votes, and liabilities of those Units before the taking, with the partially acquired Unit participating in the reallocation on the basis of its reduced interests, votes, and liabilities.
- 9.3 Part of Common Elements Acquired. If a portion of the common elements is acquired by eminent domain, the award must be paid to the Council. The Council shall divide any portion of the award not used for any restoration or repair of the remaining limited and general common elements between the Unit owners in proportion to their respective limited and general common element percentage interests before the taking, but the portion of the award must be equally divided between the owners of the Unit to which a limited common element was allocated at the time of acquisition, or in any manner the Master Deed provides. Notwithstanding the foregoing, nothing in this Article IX shall be construed to affect in any way the rights of any Mortgagee holding a valid and subsisting security interest in all or any part of the subject Horizontal Property Regime to any awards generated by a condemnation or taking, pursuant to the power of eminent domain, as established by its respective mortgage or other agreement with the owner of the property encumbered by the security interest.

ARTICLE X

Amendments to Master Deed

- 10.1 General Amendments. Except as provided herein to the contrary, the Master Deed including the plats and plans and other exhibits may be amended only by vote in agreement of

BKC 623PG662

owners of Units representing at least sixty-seven (67%) percent of the percentage interests. No action to challenge the validity or an amendment adopted pursuant to this section may be brought more than one year after the amendment is recorded, provided, however, that no amendment shall have any material affect upon the rights of any bona fide Mortgagee holding a valid and subsisting security interest in all or any part of the Regime, until the written consent of the Mortgagee to the amendment has been obtained.

- 10.2 Limitations. Except to the extent expressly permitted by this Master Deed, no amendment may increase the number of Units or change the boundaries of any Unit, or alter general or limited common elements, or change the percentage interest allocated to any Unit or the use to which a Unit is restricted, in the absence of the unanimous consent of the Unit owners.

Sections 10.1 and 10.2 are subject to the Declarant's rights as set forth in Section 7.4 herein.

ARTICLE XI
Insurance

The Board of Directors of the Council of Co-Owners shall be required to obtain and maintain, to the extent reasonably obtainable, in forms and amounts as hereinafter prescribed, the following insurance, without prejudice of the right of the Co-Owner to obtain additional individual insurance at his own expense:

- 11.1 Hazard Insurance. The Board of Directors of the Council shall insure the property, as it may be constituted from time to time, against loss or damage due to fire, windstorm, lightning, and flood, with extended coverage, in an amount not less than the maximum insurable replacement value of the property as determined by periodic appraisals of the property for insurance valuation purposes which the Board shall require to be conducted by a qualified appraiser not less frequently than every third year, or in the amount reasonably obtainable as it relates to the flood coverage. The Board shall also have the authority to insure against other hazards and risks as it may deem desirable for protection of the property. All hazard insurance shall cover the entire property, exclusive only of those items within the individual units as described in Section 11.6 of this Article XI. These requirements regarding insurance shall include the following:

- a. All hazard insurance policies obtained by the Board shall

designate the Board as the named insured, as Insurance Trustee for the benefit of all Unit owners and their mortgagees collectively, as their respective interests may appear. In the event of loss or damage, all insurance proceeds shall be paid to the Board as Insurance Trustee under the provisions of this Master Deed, it being understood and acknowledged that the distribution of such proceeds shall be controlled by the Horizontal Property Act and the provisions of this Master Deed.

- b. All hazard insurance policies obtained by the Board shall provide for the issuance of Certificates of Insurance to each Unit owner. Each certificate shall evidence the issuance of the master policy and shall indicate the amount of insurance covering the building within which the Unit is located. If a Unit is mortgaged, a Certificate of Insurance shall also be issued to the mortgagee bearing a standard mortgagee endorsement, if requested.
- c. If obtainable, all hazard insurance policies upon the property shall include provisions waiving:
 1. Any rights of the insurer to subrogation against the Council, its agents and employees, and against the individual Co-Owners and their servants, agents, and guests; and
 2. Any rights of the insurer to contribution from hazard insurance purchased by the Unit owner upon the contents and furnishings of their Units.
- d. Each Mortgagee of which the Board has notice, as evidenced by a Certificate of Insurance having been requested and issued to said Mortgagee or as provided in Article X of the By-laws, shall be entitled to receive upon request a copy of each appraisal as called for in Section 11.1 above.
- e. Each hazard insurance policy shall contain a loss payee provision designating the interest of the various Mortgagees as to the Units within the Regime which are covered by the master policy. Such policies shall also provide, if possible, that they shall not be canceled without thirty (30) days prior written notice to all such Mortgagees of which the insurer has been given written notice.

- 11.2 Public Liability Insurance. The Board shall obtain comprehensive public liability insurance with limits and provisions as it deems desirable and as may be obtainable, but at least in the amount of \$1,000.00. All such policies shall contain severability of interest clauses or endorsements extending coverage to liabilities of one Unit owner to another Unit owner.
- 11.3 Worker's Compensation Insurance. The Board, as necessary, shall obtain Worker's Compensation Insurance to meet the requirements of law.
- 11.4 Premiums. All premiums upon insurance policies purchased by the Council shall be assessed as common expenses to be paid by the Unit owners through periodic assessment as herein provided.
- 11.5 Adjustment. Each Unit owner shall be deemed to have delegated to the Board his right to adjust with insurance companies all losses under policies purchased by the Council, subject to the rights of mortgagees of such Units.
- 11.6 Insurance by Unit Owners. Each Unit owner shall be responsible for obtaining, at his sole expense, insurance covering his property, including but not limited to personal property, floor coverings, wall coverings, decorations, light fixtures, internal partition walls (not including those separating two or more Units) internal doors, heating and cooling equipment and duct work, plumbing fixtures, hot water heaters, appliances and furnishings within his own Unit and all additions and improvements made by him to the Unit. Moreover, each Unit owner shall be responsible for obtaining, at his own expense, insurance covering his liability for the safety of the premises within his Unit. All such insurance policies shall include, however, provisions waiving, to the extent possible:
- a. Any right of the insurer to subrogation claims against the Council and against individual Unit owners, as well as their agents, servants, employees, and guests; and
 - b. Any right of the insurer to contribution or pro ration because of the master hazard insurance policy.
- 11.7 Substitution of Insurance Trustee. The Board, in its discretion, may decline to serve as Insurance Trustee and may appoint in its place any financial institution which is qualified and willing to act as Trustee and which also has

offices in Charleston County, South Carolina Any substitute Insurance Trustee appointed by the Board shall succeed to all of the powers and responsibilities vested in the Board as Insurance Trustee under the terms of this Master Deed.

ARTICLE XII
Insurance Trust

In the event of casualty loss to the property, all insurance proceeds indemnifying the loss or damage shall be paid jointly to the Board as Insurance Trustee. The Board acting as Insurance Trustee, shall receive and hold all insurance proceeds in trust for the purposes stated herein, and for the benefit of the Council, the Unit owners and their respective Mortgagees in the following shares:

- 12.1 Insurance proceeds paid on account of loss or damage to the common elements only shall be held in the same proportions as the undivided interest in the common elements which are appurtenant to each of the Units.
- 12.2 Insurance proceeds paid on account of loss or damage to less than all of the Units, when the damage is to be restored shall be held for the benefit of the Unit owners of the damaged Units and their respective mortgagees in proportion to the costs of repairing such damaged Unit,
- 12.3 Insurance proceeds paid when the property is not to be restored shall be held for the benefit of all Unit owners and/or their respective mortgagees, the share of each being equal to the undivided share or interest in common elements appurtenant to his Units.
- 12.4 In the event a Certificate of Insurance has been issued to a Unit owner bearing a mortgagee endorsement, the share of the Unit owner shall be held in trust for the Mortgagee and the Unit owner, as their interests may appear; provided, however, that no Mortgagee shall have any right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired, and no Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for insurance proceeds paid jointly to the Unit owners and their respective mortgagees pursuant to the provisions of this Master Deed; and then, only if the decision is not to rebuild. Any provision in any mortgage inconsistent with this Section is void.

BKC 623PG666

- 12.5 In case of fire or any other disaster, the insurance proceeds must, except as provided in the following paragraph, be applied to reconstruct the building or other structures.

ARTICLE XIIIReconstruction and Repair

- 13.1 Requirement. In the event of casualty loss or damage to a Unit or Units, the Board shall be responsible for applying the reconstruction proceeds of all casualty insurance to the repair or reconstruction of the property in accordance with the provisions of this Article. Reconstruction or repair shall be mandatory, and any portion of the Regime insured, damaged, or destroyed shall be required or replaced promptly by the Board unless:

1. The Regime is terminated.
2. Repair or replacement would be illegal under any state or local health or safety statute or ordinance; and
3. Reconstruction is not compulsory where it comprises the whole or more than two thirds of the property. In this case, and unless otherwise unanimously agreed upon by the Co-owners, the indemnity must be delivered pro rata to the Co-Owners entitled to it in accordance with a provision made in the By-laws or in accordance with a decision of three-fourths of the Co-Owners if there is no By-law provision.

Should it be proper to proceed with the reconstruction, the provisions for this eventuality made in the By-laws shall be observed, or, in lieu thereof, the decision of the Council of Co-Owners shall prevail.

- 13.2 Proceeds Distribution. The cost of repair or replacement in excess of insurance proceeds and reserves is a general common expense. If the entire Regime is not repaired or replaced:

1. The insurance proceeds attributable to the damaged limited and general common elements shall be used to restore the damaged area to a condition compatible with the remainder of the Regime;
2. The insurance proceeds attributable to the Units and limited common elements which are not rebuilt shall be distributed to the owners of those Units, the owners of

BKC 623PG667

the Units to which those limited common elements were assigned, and to any bona fide Mortgagee holding valid and subsisting security interests encumbering any such Units and limited common elements, as their interest may appear;

3. The remainder of the proceeds shall be distributed to the Unit owners in proportion to their percentage interest and to any bona fide Mortgagee holding valid and subsisting security interests in all or any part of the subject horizontal property regime, as their interest may appear.

13.3 Procedure. The Unit or Units damaged or destroyed shall be repaired in the following manner:

1. Any reconstruction or repair must follow substantially the original plans and specifications of the property as amended from time to time as provided in Article II hereof, unless the Unit owners holding seventy-five (75%) percent or more of the total interest in common elements and their Mortgagees, if any, vote to adopt different plans and specifications and all owners whose Units are being reconstructed or repaired unanimously consent to the adoption of such different plans and specifications.
2. The Board shall promptly obtain estimates of the costs required to restore the damaged property to its condition before the casualty occurred. Such costs may include such professional fees and premiums for bids as the Board deems necessary.
3. The insurance proceeds received by the Board and any special assessment collected to cover a deficiency in insurance shall constitute a construction fund from which the Board shall disburse payment of the costs of reconstruction and repair. The first disbursements from the construction fund shall be insurance proceeds; and if there is a balance in the fund after payment of all costs of reconstruction and repair, it shall be distributed to the Unit owners in proportion to their payments.

13.4 Reallocations After Negative Vote. If the Unit owners vote not to rebuild any Unit, that Unit's entire percentage interest is automatically reallocated upon the vote as if the Unit had been condemned, and the Board promptly shall prepare, execute, and record an amendment to this Master Deed

BKC 623PG668

reflecting the allocations.
